“ *Dear Mary, (your Dad) and family, I will always remember your beautiful mother with her lovely big smile and sweet manner. I admired her sewing talent and remembered her kindness. She will always be my "other mother" because I lived so much of my childhood at your home. I know you will all miss her so much but she lives on in our hearts forever and ever. With deepest sympathy, Patty and Bob DePaulo and family*

“ *Dear Uncle Sam, Mary, Timmy, Sammy & family, We would like to just say how very sorry we are about Aunt Dot. The world won't be as bright without her smile. She could light up the room with just that smile. Just know that we are thinking of you guys and keeping you in our prayers. Take care and we love you.*

“ *We know our Aunt Dorothy's smile now is even more radiant as she sings praises to the Lord, and listens to the chorus of the Angels. Be comforted that she is at peace, and that you will see her again.*

“ My dearest friends, Sam, Mary, Sammy, and Timmy, I am sending you all my 'deepest' condolences for your loss of your beloved wife and mom, Dorothy. I know you all very well. I would 'love' for you, Mary, Sammy, and Timmy to email me as soon as possible, please. I pray you all will remember who I am as I and my deaf brother, Jeff and my deaf parents, Rita and Frank J. Bergeron. Remember Mary, Sammy, and Timmy always played with me and my brother, Jeff when we came over to Houma, La. where my beloved grandparents lived there and owned the bakery called Excelsior Bakery on East Main Street by Terrebonne Hospital. We always came over to your mother, Dorothy's parents' place to play with you all, hope you all will recall who I am and my brother, Jeff. We always love your mother so much, she was surely showing her beautiful smile all the times !! Bless her heart and now she is happier where she is with the Lord with no more sufferings and pain. She lived a good life of 87 years, that is wonderful and blessing to have her as our dearest friend. We will miss her dearly, but she is in our hearts forever till we meet again one day in Heaven. She was a hard working lady as I never forget how wonderful she was in helping her own parents till their deaths in Houma, La. I remember it very well that you all stayed in another small house at back where Dorothy's parents' house was at front with carport. I really miss not seeing you (Mary, Sammy, and Timmy) for a such long time, so please get in touch with me again by emailing me as I already enclosed my email address for you all to email me asap, please, thanks !!! I know my deceased daddy, Frank J. Bergeron and Dorothy Young went together to deaf school in Baton Rouge, La., so please let me hear from either of you real soon and would be overwhelmed to be in touch again, smile !! Please do not fail in emailing me asap, please. I am looking forward to hearing from you anytime soon after you all read this message from me. Be smiling and happy as "Life Goes On" and each death is a blessing. My love to you all in Jesus' name and God bless you all !!
