“ Our hearts and prayers go out to you Aunt Murt and family on the passing of Uncle Doug. We were all truly blessed to have shared his wit and words of wisdom during both the great celebrations and difficult times for our family. He "ALWAYS" welcomed us with open arms and reminded me that patience and humor were the traits of a great man. His stories and laughter will remain etched in our minds as will his kindness and compassion for us boys. Selfishly, words cannot express how much I will miss sitting with him, sharing stories, and drinking our beers. One of the simplest and most endearing parts of my life is forever missing. Its like the family torch is now being passed to our generation and the door to the past is slowly closing. Uncle Doug would say, with a laugh, "You better put your foot in that door before it closes you damn fool". That is exactly what I intend to do. Save us a seat at the table Uncle Doug. With all our love and sympathy....Sandi & Andy

“ All the great memories of Doug that span through 90 percent of my life time. All the times he'd laugh and say Told ya so ! Then laugh again. He was man of great patients and a true friend of my father. I can only imagine the jokes that he is telling Dad and Uncle Andy now. Did you hear the one????? I witnessed first hand his kindness and love for his kids Jason & Tori and love of his life Aunt Murielle. I also witnessed his generosity when we had nothing to eat or a place to sleep. I can honestly say that he made my life a better one. He was never judgemental and always understood. Uncle Doug and Aunt Mert were always there for us boys when we had no where else to turn. Uncle Doug you will be sadly missed my friend. Thank you for your love , understanding and patients . WE will all miss you. Rest in Peace Love Shelli and Dean

“ *First, my deepest sympathy goes to my Aunt Murielle, Tori, Scott, Jason, Jess and all the grandchildren. While there is no replacing him, you all hold the dearest and deepest memories of what made Doug special. There will be nothing on this planet that can erase from your minds the twinkle in his eye while grinning ear to ear. Embrace that memory along with all others and you will always feel loved. He will live on in your hearts forever. For me, not only have I lost a Uncle but a good friend as well. I am unable to think of anyone that I have shared more laughs with in my lifetime. I could always see the great pride he had in his family, his friendships, and yes... his famous spaghetti sauce that he would start making as soon as he knew you were coming for a visit. Because he was a modest man, there are many who did not know the decent good things Doug did behind the scenes. I learned volumes from Doug and his family; for that I will be forever grateful.
