

Douglas "Doug" Crews

October 28, 1967 - June 4, 2022

Douglas "Doug" Crews (54) was born on October 28, 1967 in Shreveport, Louisiana. His family moved to South Florida when he was four years old where he lived for many years. He married Tracey Daws and had two beautiful daughters, Taylor and Morgan. Doug loved his daughters more than anything in this world. In 2021 Doug moved from Cooper City to Leesburg, Florida to be closer to his mother and sister. Once there, he met his girlfriend Becky McFadden, and they were together up until the time of his death. Doug passed away as the result of a tragic car accident on June 4th, 2022 in Leesburg. Doug is preceded in death by his father Robert Crews. He leaves behind his beloved daughters Taylor (24) and Morgan (20), his mother Candace Crews and stepfather Chuck Tinder, sister Jenice (Gary) Grunfelder, his girlfriend Becky McFadden, three nieces and many aunts, uncles and cousins.

Doug was always the life of the party, making everyone laugh and being unapologetically himself. He was the first to call to check on things and lend a helping hand. He loved his job as a greenskeeper at Harbor Hills CC and he gave his all on the job. Doug was an avid sports fan, he loved watching all things sports, especially golf, Miami Dolphins Football & Miami Hurricanes football. Doug loved his family most of all, he never missed an opportunity to say I love you, brag about his daughters or let it be known how much he cared about you. He also loved spending time with Becky, his girlfriend of a little

more than a year.

“ I really enjoyed the many times our families spent together over the years. Doug was always welcoming to my family, and it was great being able to watch our kids grow up together. Taylor and Morgan's quick and easy laughs remind me of Doug. I hope that they will remember the countless good times with their father, and that it will somehow temper their sorrow.

“ I first met Doug when he was about 8 months old. I was new to the Crews family and his mom, Candy, put this big wobbly baby in my lap. He looked at me with his big blue eyes and I knew he was going to be a great man! Rest in Peace Doug. Your dad, Uncle Denson, Grandma and Grampa were happy to see you. I know that they welcomed you with open arms and then took you to the gold course to play a few rounds!
Aunt Kathy (I will always be related to the Crew's family in some way)

Doug and I always enjoyed cooking Sunday dinner together, which is one of my fondest memories. He always went all out for Gary and I to make us feel special and part of the Crews family. I will never forget his delicious ribs that he would bake for hours in the oven and top off with the grill and secret sauce. Doug's legacy will continue with his beautiful daughters, Taylor & Morgan, see you in heaven for Sunday dinner.
