“ Peggy, Eric, Mandy,
Your Dad was a wonderful person. I remember all the times we spent laughing in your kitchen when I could come up and "hang out" at your house.

He enriched every life he touched and he touched many. I am blessed to have known him.

All my love,
Andi

“ *My deepest condolences to the Hasley family. Doug was a kind man who could always make me laugh and was a loyal friend. We grew up together on Park Drive. I shared so many adventures with my brother and Doug as we navigated our way around the bully at the end of the street, slid through mud puddles (to our mothers' chagrin), watched alligators and fished in the canals, and passed through the joys of childhood in a beautiful place. He became a man who always seemed to show the same kind of loyal and true friendship to those around him. He will be greatly missed by his community.*
