“ Dear Roxanne, Jim and all the members of Howard's family,

*I am quite shattered to hear your sad news. Words are an inadequate way of expressing sympathy, but I would like you to know how deeply I feel for you.*

*I had only known Howard for short time, but I enjoyed his company and his humour as well as his personality. I sure will miss him.*

*I hope that time will eventually soothe your grief and that the support of your loving family will help assuage the pain.*

*My heartfelt sympathy and condolences to Roxanne, Jim and to all the members of Howard's family.*
