

Dr. Nicholas "Nick" Przystawski

May 18, 1960 - March 10, 2026

Dr. Nicholas "Nick" Przystawski, 65, of Leesburg, Florida, passed away unexpectedly at his home on Tuesday, March 10, 2026, following a sudden heart attack.

Dr. Nick Przystawski served the Leesburg community as a podiatrist for 30 years. He was deeply committed to his patients and took great pride in his work, often spending long hours at the hospital and his office to ensure those in his care received the attention they needed.

Outside of his medical practice, Dr. Przystawski lived an active and fulfilling life centered around family, community, and service. He had a deep love of the outdoors and enjoyed camping, fishing, and cycling. He was especially passionate about Scouting and spent many years involved as a scout leader and mentor.

Many who grew up with his sons knew Dr. Nick instead as "Coach Nick." Over the years, he volunteered to coach youth sports teams, including soccer, basketball, baseball, and tennis, leaving a lasting impression through his guidance and encouragement.

Nick was preceded in death by his father, Nicholas Przystawski. Nick is survived by his sons, David (Sydney) Przystawski and Kevin Przystawski; his

mother, MaryAnn Przystawski; his brother, Dr. Brian (Susan) Przystawski; his sister, Christine Pryce (Christopher Shean); and his two grandchildren, William and Evelyn Przystawski.

Dr. Nick Przystawski will be remembered for his dedication to his family, his patients, and the many young people whose lives he influenced through coaching, scouting, and friendship.

A funeral service will be held Saturday, March 21, 2026, at Morrison United Methodist Church in Leesburg, Florida. A viewing for family and friends will take place from 10:00 a.m. to 11:00 a.m., followed by the funeral service at 11:00 a.m.

In lieu of flowers, contributions may be made to the Boy Scouts of America or the American Diabetes Association.

Arrangements entrusted to Beyers Funeral Home of Leesburg, Florida.

“ *To the Przystawski family,
My deepest condolences and prayers for your profound loss.
There's nothing that I can say that hasn't been said to you or felt by
each of you. Each of you should be so proud as well, because Nick
adored and spoke lovingly about each of you. As your lives return to
"normal", Nick's memory will hopefully comfort you.
As a friend, I am grateful and blessed to have known him and have
had him in my life since high school.
God Bless you all ❤️

“ *My condolences to the family and friends of Nick. He was a year
ahead of me in Podiatry school so I spent enough time around him
to get to know him a little. It is no surprise to me that he was
successful and beloved by his patients. I will remember him fondly
and say a prayer for him and his family.*

“ I am deeply saddened for the loss of Dr. Nick, a friend and esteemed, respected colleague. I am so grateful for the recent time we both shared together at a professional seminar where we sat together through morning lectures, conversed about our shared passion for cycling, and his busy schedule at the hospital. His passion for his profession, and dedication and caring for his patients was evident. He talked about his participation in the scouts as a troupe leader, he was proud. Nick was a role model and a leader. Many fond memories with him as a team cycling member for the Tour de Cure. My sincere condolences, sympathy and thoughts to his family, friends and colleagues at this time. His passing is a loss to all.

“ I have known Nick since we were 13 years old. We met in High School. What adventures, secrets, misadventures and wonderful times we had. He will be deeply missed. He was like a brother to me and no matter how much time we spent apart, we would pick up like it was just yesterday. We will celebrate you in NOLA.

“ I am deeply saddened by the loss of Dr. Nick, a respected and esteemed colleague whose presence made a lasting impact on all who had the privilege of working alongside him. His dedication to his patients, his profession, and his peers was evident in everything he did.

Nick will be remembered not only for his clinical excellence, but for the integrity, compassion, and professionalism he brought to our community each day. He leaves behind a legacy that will continue to inspire those who follow in his footsteps.

He will be greatly missed. My thoughts are with his family, friends, and colleagues during this difficult time.

“ I cannot remember a time in my professional life when I did not know Nick as a respected and esteemed colleague. Over the past 10+ years we got even closer in our common fundraising efforts for the American Diabetes Association through the Tour De Cure. He was routinely a champion fundraiser for them. Nicks reputation was well earned and was always above reproach. His passing is certainly a loss to his family, patients and dear friends. He will always be missed.

Dr. Andrew Levy

Andrew Levy, DPM - March 16 at 02:23 PM

“ *My sincere condolences to the Przystawski family. I will always remember Nick for his unwavering dedication to his sons and his commitment to the community through Scouts and coaching. He leaves behind a wonderful legacy in the many young lives he shaped and inspired, and will be long remembered*

“ *I miss Nick already. We live miles apart, but when we got together we never missed a beat.*

Never afraid to tell me exactly what was on his mind, always up for an adventure, and a life long friend.

“ *Dr. Nick will surely be missed. He took wonderful care of my brother years ago until he passed in 2006. Sending my condolences to his family and office staff during this sad time.*

Angie Cole - March 15 at 04:09 PM

MW

“ So very sorry to the family and friends for the passing of Dr. Nick. We, (my sister, husband, and myself), were recent patients of Dr. Nick and were so looking forward to being his patients for a long time! Dr. Nick certainly was the best Doc anyone could ask for and have. I don't remember how or from whom we heard about Dr. Nick, but extremely pleased to have him as our podiatrist. He certainly enjoyed his job and his patients. Dr. Nick will definitely be missed and hard to be replaced. Blessings to all of you doing this difficult time.
