“*Darlene and Leon, Your mother was a wonderful person. I don't think she realized how she touched the lives of all who new her. She had a very special gift of natural beauty and love that radiated happiness and love to everyone. I will never forget our comforting conversations and good times we had together. Darlene, she loved you and Leon so. Dru is now at peace with her beloved Bobby and God. See you again some day my friend. Rest in peace. Love, Linda Pollard Askin*

“*I worked with your dad at First Federal and met your mom a few times over the years. They were both beautiful people and I feel blessed to have known them. Your mom had a banana pudding recipe that she shared with us at the bank and I still make it to this day, and still think of your mom and dad when I do. My thoughts and prayers are with you.*
