“ *I am so sorry to hear about Duane. He was such a wonderful and talented person. I remember how excited he and Joseph were when they won the Grand International in Las Vegas. I thought they would never recover! And the great, clever educational classes both he and Joseph taught over the years! I still use the hot glue and gold leaf ideas! And the fun in Tampa at the convention --the great treat at the flemenco restaurant, the party at his home when the squirrels snacked on the sandwiches -- too many great times were shared by all of the National Costumers Association. He was a dear, talented friend and he will be so greatly missed. Thank you for your involvement in our lives. We are forever in your debt.
