Obituary of Dundee Jarvis

Dundee (Lydia) Ochs Jarvis, aged 74, died peacefully in her sleep at The Villages Cornerstone Hospice House on February 1st, 2015. She is predeceased by her beloved husband of 42 years, Carl E. Jarvis, Jr., most recently of Cumming, GA. Both were originally from Richmond, VA, where they still have family and friends. She is survived by their children, Sheila and Mark Rodriguez of Weirsdale, FL, and Scott and Julianne Jarvis of Lincolnton, NC, as well as grandchildren Marcos and Kelly Rodriguez of San Diego, CA, and Stephanie Rodriguez of Fort Myers, FL. She also leaves her brother-in-law Ronald Jarvis and family of Richmond, VA, her aunt Margaret Werner and family of Mechanicsville, VA, her sister-in-law Mary Ochs and family of Houston, TX, and the Jarvis circle of friends through-out Roswell and Cumming, GA, and scattered nation-wide. She enjoyed her pets, cookouts with friends, bass fishing, deer hunting, old classic car shows, restoring antiques and collectibles, traveling internationally, and doing crafts and home projects. She wished for no viewing or formal memorial service, preferring instead that those closest to her will remember the wonderful memories they all created along the way. Although her immediate family will hold a private good-bye as her physical cremains will be co-mingled with Carl's and scattered at Lake Miona in The Villages and Lake Lanier, GA, she hoped to be honored with one of her favorite sayings, "If you can't say nothing nice, don't say

anything at all."

“Dundee, You were such a joy to know and a great mother to Sheshe. I'm glad for the little times we got to spend together and wish I had a chance to get to know you even more. Still remember the Thanksgiving you guys spent with Joanna and I. How quickly life changes in few years. You and Joanna up there and all of us down here. Who would have thought it. Look out for all of us down here. Love you!!

“I can't believe I'll never be able to hear her beautiful voice ever again. We shared a patch of woods in our back yard, a path cut by the neighborhood dogs. I met Dee Dee after Michael found a turtle in the road and brought it to me to "save." I ran into Dee Dee working on a project as I was taking it through their yard to the creek. After that day Carl and Dee Dee became the best of friends. Long after the dogs were gone, and Carl, and Dee Dee's mom, I kept the path well worn, trudging back and forth to spend many a night gossiping on her back deck (over cocktails, of course) about whatever was going on at the time. Despite our age differences, she became my best friend. When she first told me about moving to Florida I was devastated, but in my heart I knew that that was what was best for her. She was so proud of all of you and I know you took great care of her. The way you live your lives is a tribute to Carl and Dee Dee. I love and miss them both.

“ *Dee Dee was a special lady with a beautiful smile which she shared a lot. She was so well loved by so many people, but knowing she is in a better place and sharing that smile with other loved ones makes us smile again. Love you Dee Dee !*

“ *We have all lost a true treasure. Miss Dundee was the by all accounts a true Southern Belle. My families lives were blessed by her company, conversation, and stories of her life as a strong woman, mother, and friend. You will be missed Miss Dundee.*

“ *We first met Carl & DeeDee through the CB radio. Carl was on the radio saying his wife couldn't make gravy and he sure would like to have some. We went to their house at 2:00 in the a.m. They had been to a company funtion and DeeDee was asleep already. I made Carl gravy while Turk crawled in bed with DeeDee. (With Carl's permission.) when DeeDee opened her eyes there was a strange man in her bed with a lot of people looking on. She kind of screamed and later said she did not like Turk. They became best friends there after. Turk would be DeeDee's guinea pig for new recipes when Carl was out if town. We spent the next almost 40 yrs together. Miss these guys dearly. RIPSear friends.*

“ *DeeDee was an Sweet and Amazing and all around Incredible Woman. I have memories when she came up to visit for the weekends in Virginia. It was always an adventure...something I looked forward to. There was nothing she couldn't do, especially with her antiques. She will always be close to my heart. Sending love and prayers to her children and loved ones who knew her.* ”
