“ To The Manly Family, Ann , Barbara, Carol and Dodson.. I am sadden beyond words at news of E. Charles's passing.. He too was my brother. It is impossible for me to simply say thank you for the love and generosity that Chaz and your family had shown to me in during our formative years. I have never not known having Charles in my life. The memories of all you, most especially with E ,,growing up in Loves Point ,are things that I will and truly have cherished all my life. I could fill pages of book with stories of our adventures, our trials and tribulations on the waters of Lake Harris , in the cyprus swamps of old man Redgraves,or my((and my families!!) favorite stretch of a salty piece of land Crescent Beach. E.Charles influenced my life in so many ways,,it hard to describe. But I am forever grateful for being able to share his life, and mine with him Although it's been almost 40 years since Charles and I last spoke,I can recall so clearly every event, every game, every experience we shared as if it was yesterday. Sail on E.Charles we will meet once again on the other side one..Peace ,to you and yours jimbo

“ My deepest sympathy and condolence for the passing of Charles. I only knew him for a few years, but he made such an impression on me. He loved with every ounce of his being and always made me feel special everytime I saw him. Heaven received a bright light the day he left this earth and he is walking with the King of Kings! For those of us who remain without him, pass on his legacy of unconditional love. Gone to soon!

“ *What a carousel of memories and stories that could be told...like when you showed up on the lake in a 12' jon boat with a 40hp on the back, transom almost under water. We were terrified (only Andy Pitts could have come up with a more suicidal machine). You enjoyed a special place in your mother's heart that no one else did...because you were so special. I am comforted to know you will be standing next to St. Peter to welcome each of us. Bless you, E. Charles.*

“ My heart goes out to each of you...Ann, Barbara, Carole, and Dodson, and Lynn.....although Charles is now at peace and totally healed it still leaves a hole in your heart...for that reason I pray your wonderful memories will lift you up in your sadness.

“ Oh, the stories that could be told, from a holy terror in childhood by popping my doll's head off with me running and screaming behind him while he would gleefully sing, "You can't catch me on Grandpa's knee!" to antagonizing my mother by switching the radio channels continually in the car and laugh so hard when she would scold him! Then watching as he matured into one of the sweetest and kindest people I have ever known. I agree with Michael that he will be standing next to St. Peter to welcome each of us, but please don't run with the gate key, Charles! Ha! I love you, E. Charles and I am so proud to call you my precious cousin! My love, thoughts and prayers to Ann, Barbara, Carol, Dodson and Lynn.
