“ *For my children, Scott, David & Lea: I was so sorry to learn of the passing of your father. The fact that he had been sick holds little consolation. I know that Dad played a significant role in your lives, and moving on without him will be difficult. My prayers and thoughts are with you as you travel these next few weeks and months through the doors of acceptance of the passing of your Dad. May God be gentle with you while you make this journey. Love, Mom*

“ He was our beloved friend and "work partner" at Lake Griffin SP for many years. Though my Don is also gone now, I know he would be in agreement with me. We loved "Buzzie" so much and I am praying faithfully for Mattie and the family as they travel this new journey. Mattie, there will be light at the end of the tunnel, I promise. Just remain faithful to Him, the Great Comforter. My love to you all!

“ This corner of the world will be a bit darker without Buzz, but the heavens will be brighter with the addition of his star. When we look up, we will remember him. Love and prayers for strength and peace for Mattie and their family.
