“*Earl was truly a very special person. He lived a Christian life and enjoyed sharing the Bible passages with his friends and family. He and Donna were true examples of a Christian couple and family. It was such a pleasure for us to know him for many years before he became so sick. He never lost faith and was comfortable in knowing where he was going. He was at peace. Our thoughts and prayers go to Donna and her family. We love you and will help in anyway we can. We are only a phone call away. God bless you and your entire family. Betty & Bill Cunningham*
