“ *My husband (Frank Thomas Griffin) is one of her Grandchildren and while I only spent a short time with her several years ago while we were visiting her son Thomas in Colorado, I was overwhelmed by her generous and giving nature. Memow was definitely a special lady and she will be terribly missed. When I told her that I did not have any surviving Grandmothers of my own she immediately responded by declaring, "Well, I'm your Grandmother now". My thoughts and prayers are with her entire family. Rest In Peace Memow. Love, Becky*

“ *I remember Aunt Eary fondly. I've thought of her through the years and smiled when I remembered some of the things we did when I visited her in Mobile as a teenager. God bless you, Paul, Frank, Tommy and Troy and all of the grandchildren.*
