“ Dear Don and family, Your loss is my loss. Eddie B was an inspiration for me as she showed me what courage and generosity was really all about. She touched my life and I only hope I was able to give back something to her. She is with Jesus and is now whole and healthy. My very best to each and every family member, from a Leesburg High School classmate from the class 1959. Most sincerely, Susan

“ Our heartfelt sympathy goes out to Don, Kim and Greg and the entire family at Eddie B's passing. I graduated from LHS in 1958; Eddie B. graduated in 1959-- then I didn't catch back up with her for almost 50 years (in 2007), when she and Don moved in 4 houses down on our street. Getting to know Don and Eddie B. as a couple has been a wonderful experience for my wife Wanda and I. Eddie B., we are all going to miss you more than we can say.

“ Don and family, my heart goes out to you over our precious classmates passing. She was a role model of inspiration through this long battle she so bravely endured always with a smile and reaching out to others along the way. I know this is hard on you all, but know that your love for her is also relieved that she no longer suffers but is now with our Lord.

“ I first had the privilege of knowing Eddie as a teacher at Coronado Elementary School in Littleton. Two of our sons were schooled there and had her as a "team" teacher. Then, lo and behold, we moved to Willow Springs and became members of Red Rocks Country Club and were privileged to "meet" her again. She was a lovely lady and a wonderful influence in the lives of our sons. My husband Dennis and I are so sorry for your loss.
