

## Edgar Regan Colvin III

June 3, 1940 - January 28, 2023

Edgar R. Colvin III, passed away on January 28, 2023. Ed, often referred to as Eddie, was born on June 3, 1940 in Juliette, Georgia to his father, Edgar R. Colvin II, and mother Mildred Ivey Colvin. He had five brothers and four sisters. Ed was a heavy equipment operator and general superintendent for road construction. His extensive skills in construction contributed to the building of many important Florida roads; most notably he was an integral part of the successful completion of Sea World. Ed enjoyed his retirement in Webster, Florida with the love of his life, Anita. They met at Boone High School in Orlando and have been blissfully married for sixty-three years. Ed enjoyed gardening and raising livestock on his many acres of land. He was impressively talented at carpentry - building his barn, shed, and an amazing treehouse. His greatest joy was family, always doting on his grandchildren and great-grandchildren.

Ed is survived by his wife: Anita Colvin; his two daughters: Kimberlin (Anthony) Realmuto and Melanie (David) Griffis; his 3 grandsons: Aaron Realmuto, Brian (Jordan) Griffis, and Denver Griffis; his great-grandchildren: Clayton Griffis and Chloe Griffis. Ed's extensive knowledge and gentle tone will be missed by all that knew him. Anita invites you to celebrate Ed's life with her on Saturday, February 11, 2023 at 11:00 am at their home, 12660 State Road 471, Webster, Florida.
