“ One of the many children he adopted as his as where my children as his grands. My love for him and his family is so dear to my heart. They showed Gods love when someone needed it most, and grace when you thought there couldn't be any. I pray God wraps Grandma Linda in his arms, gives her and the family peace knowing he is home. Where this is no pain, or sorrows only love and rejoice. Grandpa “Randy” was such a gift from God as is his family.
