

Edilberto Restor Jr.

March 13, 1947 - December 11, 2024

Edilberto Restor Jr, 77 of Cherry Hill Road peacefully passed away at home on December 11th with family by his side.

Edilberto was the son of the late Edilberto Restor Sr, and Margaret Randall. He was a proud father of four children, Brandon Restor of Chaplin Ct, Randi Restor of Lady Lake Fl, Jody Restor of Wildwood Fl, and Patrick Restor of Las Vegas NV. He also leaves behind a brother Paul Sorse of Lady Lake Fl, and he was a brother of the late Joseph Restor and Robert Restor. He also leaves behind a partner Jean Lopez of Lady Lake Fl, his best friend Peepers and five grandchildren.

Ed will be remembered as a fun guy who loved golfing (had 6 hole-in ones!), bowling, and any time that was a good time. Ed's kind smile and gentle personality will be missed. Ed loved his country and was a proud American. He was born in Newport RI, and later joined the Airforce. He was a very proud Air Force Veteran and was not afraid to let it be known. He was catholic by faith but was willing to talk to and accept any religion into his life.

During his time in the Air Force, he worked with pride in ground maintenance and then worked as a truck driver for Schneider and Pepperidge farms. He also worked as an air traffic controller in Erie Pa.

A celebration of Ed 's life will be held at Beyers funeral home in Lady Lake on Tuesday December 17th at 3pm.

“ *As the single guys at Erie tower, we hung out and traveled a lot. One trip was to NYC and while there we decided to go up in the WTC. we found a parking space and went up. When we came back down the meter had expired 2 minutes ago and had a ticket on the windshield. Well as Ed said "what are they going to do give you another ticket", so we went to times square. Came back an hour later and sure enough they gave me another ticket. Will always remember his smirking kind of laugh. He was with me when we were at the A/P bar, when the bartender was going to kick us out, she later became my wife. We will miss you sir!*

“ Dear Ed, sorry that you had to leave us so early and for not making it down your way sooner. We had some good times in your years up here in Ohio. It's a good thing you chose the Air Force over the Navy because those jet skis sank faster than lead balloons (forgot to replace drain plugs on jet skis). That was a long day on Pleasant turned out to be a great day of laughs, pizza and a few beers at the end of the day. We enjoyed the BBQs at our houses with you and Jean and the events we had throughout our years at Schneider. You were a warm and kind person (except the time when you said Jean's food tasted like *#@^ and you started choking on your drink immediately following that comment. After running out of our kitchen into our living room and flipping over our couch and laying on the floored blacked out, you regained consciousness, we told you that Jean chased you out of the kitchen, caught you and knocked you out!) You were convinced because Jean said you got what you deserved. You miraculously sobered up and we had a great rest of the evening enjoying the lobsters i brought from Massachusetts. We will definitely miss you and the great memories we shared. Rest in peace my friend and may God bless you! Respectfully, Jim Villicana
