“ *Edith was my neighbor on Marshall Dr. She was such a pleasant and friendly woman. Like clockwork she would take Princess on her many potty breaks through out the day, never failed to wave or stop by to say hello. She took great pride in her yard. She was amazing, at 90 years old, she would rake leaves, pull weeds and whatever else needed to be done and when she was finished her yard was perfectly manicured. She'd share meals with us , and her famous Loquat pies. I was deeply saddened when I saw the for sale sign in her front yard. She was a wonderful human being. I'm grateful for having known her. RIP Edith ❤️*

“ *Edith was mother to us all on Marshall drive. She shared her meals with us just because she wanted to, comforted us in times of sorrow, made us laugh, always knew what was going on in the neighborhood. She was my mother's best friend and I know mama was waiting at the gate for her. I loved her and miss her waving to me every morning from across the road.*

“ We celebrate this amazing woman of God, Wife, Mother and Grandmother. She taught us that love was not only spoken but shown. She put hands to her heart, by using her talents to continually bless others. Whether making healing cloths and shawls, or lap-robos for the nursing homes residents. Many are those who partook of a life long delicious cook and hostess with a smile. She was a " fixture" on Marshall Drive that will never be replaced and leaves a legacy that will not be repeated since there was only one " Edith"...
