“ Dear Bang Family, My name is Winter.I vounteer in the community of Sumter county. I am giving my condolences. In my experience of loss and those I help in my volunteer work I can say that to cope with grief; talking,writing,crying and prayer with reading certain scriptural accounts help. For me personally it is Acts 24:15 and John 5:28-29. These verses bring me so much comfort because I know soon that Jesus will bring those we love back to life. Then as Revelation 21:4 say there will 'be no more death,mourning outcry or pain' . I hope this helps you as it has me. My condolences.
Sincerely, Winter G.
