“ Didn't know Colonel Heisler, but got to know of him through his daughter, Pat, and her husband, Tom - and I know how much she loves her Dad...and tennis...because of him. I have known Tom, now, for many years and have recently become closer to Pat, and admire the both of them tremendously as warm, generous people. I'm sure the apple doesn't fall far from the tree...Best wishes, and condolences, to everyone who is grieving at this difficult moment.
