“ I am saddened to hear about the passing of Ed. He was always a very kind gentleman who was fun to be around. I have many fond memories of spending time with him on some of the family fishing adventures. I was always amazed at his knowledge of such a diverse range of topics. You could always learn something new from him. You could tell he loved his family deeply and I know he will be greatly missed. My love and prayers are with the family at this time.
