“ *During my childhood Edna was one of my mother's closest friends, she was like a second Mom to me and our family. We had a close knit neighborhood. She was a wonderful loving person whom we will miss dearly.*

“ I am so sorry for the passing of Edna, my condolences to the Hendryx's and Family. I too know well the pain of losing a loved one and what helped me is Gods promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be no more and we will see our loved ones again. I hope this gives you as much comfort and hope as it does me.

“ I send my condolences to Mark and the rest of the family. Edna was a "long lost" cousin of mine who I became acquainted with about 5 years ago. She was an exceptional lady, such a sweet spirit about her. I will miss her and her witty Facebook posts.

“ Edna came up to me at the VFW/AMVETS club after we had been a few times and said "I like you". I told her I liked her, too, even though we had never carried on a conversation. From then on, we were fast friends. She really made John and I feel like part of this community. I always admired her high energy in everything she did. She was always the first to volunteer her time and cooking for our veterans. Astor, you lost a precious lady who will be sorely missed.

“ Our hearts and prayers are with you. Edna was an exceptional woman and we know there will be a large void in the hearts of all that loved and enjoyed her company. Take comfort in knowing she's no longer in pain but in God's hands.
