I'm There Inside Your Heart

Right now I'm in a different place, And though we seem apart, I'm closer than I ever was... I'm there inside your heart. I'm with you when you greet each day And while the sun shines bright, I'm there to share the sunsets, too...I'm with you every night. I'm with you when the times are good, To share a laugh or two, And if a tear should start to fall...I'll still be there for you. And when the day arrives That we no longer are apart, I'll smile and hold you close to me...Forever in my heart.

“ *Will certainly miss Edna. She & Bob were some of the first neighbors/friends when retiring to Lake Griffin Harbor from IN. Know she counted on strong family support and that you all will miss her.*
