“ Eddie, As I sit here trying to pick my favorite memory, my mind races and my heart breaks, how do I sum up into a few words what you have meant to me all my life? I was always your biggest fan and you knew it. I will miss you always and cherish the final weeks we spent reacquainting ourselves. Through this ordeal, you were able to see my pain and turn our visits into a fun loving event, one that true memories are made of. The jokes, the talks the singing, how appropriate of you to pick "The Great Pretender". You will always be my big brother and I will always love you. Your sister Deanna George, I don't know how to express my gratitude for all you have done for Eddie. You were there when he needed you. You were never more than a whisper away.(ok, so Eddie didn't whisper softly).. It takes a special person to be able to put aside your life for my brother. You have stolen a piece of my heart. I am proud to call you Friend. Thank you, Deanna and family
