“ Lillie, Eddie, Michelle and Jackie: I had the priviledge of knowing your father both professionally and personally. He lived the life he talked about and set an example to all he met. His door was open to any and all his friends and his love and friendship was truely a blessing. He will be missed by not only his family, but his extended (family) friends everywhere. My love and prayers to each of you, May God give you strength and peace as you continue on until you are reunited in heaven one day.
