“ *Joan, I am very sorry for the loss of your husband. I know time will ease your sorrow but from experience I know it will never go away entirely. I'm certain you can look back to times of joy and excitement and times when the two of you had to 'fight the world' and that only brought you closer together. He was a brave man. May God grant you peace that passes all understanding. David*

“ *Joan and David, I remember happy times together at family dinners and events. Twenty-odd years ago, I was fascinated by Uncle Ed's tales from his time in the Persian Gulf War! I'm sorry that we haven't seen much of each other in recent years because we live so far apart, but family memories are treasures.*
