“ *To Marie and all of Ed's family and close friends, I'd like to express my deepest sympathy. Ed was many things. A friend and business associate to all of us here at TW Raftery, Inc. A friend, always having a kind word. What a great sense of humor, he taught me so many things by just listening to him and observing his ways. A man of principle, a great salesman, problem solver and hard worker. Ed was so kind to my family and most of all my daughters, sending Paddington Bear, and several Harry Potter books (British versions). He was a consummate host when we visited, and one of the best men I've ever met. I'm deeply saddened by Ed's passing, but know that he did his duty, served his time and has found his rightful place in heaven. (see if they need any Thermfold Ed). Ed is the person that taught me the meaning of the simple word, and I say it to him: Cheers.*
