“ Ed was an amazingly kind person. I was graced to call him friend. He blessed my mom and so in their later years with handy work. So hard for my dad to hand over the 🛠️ figuratively. Ed helped him with great grace. Sue I'll never forget my time in FI and alligator 🐊 bites. May you feel is love evermore in new ways.

“ Sue, Stacey, and all the family--. Too soon for Ed to go. What a pleasure it was to know and work with Ed through some pretty trying times at P&G. His humor and willingness to tackle a difficult task made some tough jobs a little easier and tolerable. I still love to tell some of his altar boy tales to others, Ed made me laugh a lot. Cherish your memories, I know I will.
