“ It's been a month now and I miss you more each day. So happy we had a chance to hug, kiss and say I love you to each other. Your candle, next to Mom's, burns nightly in our window as our tribute to a very special man and the love you two shared and spread to the three of us. Proud to be your son.

“ It has been just over a month and I miss you more than ever. Glad we had the chance to hug, kiss and say "I love you" to each other. Your candle, next to Mom's, burns brightly and proudly each evening in our window. I have always been so proud of you. Your smile will be forever etched in my heart and memory. Be well and enjoy your eternity with the woman you loved and who loved you. Bye Daddy
