“ *I'm so sorry to hear of Ed's passing. During my 11 years of military service Ed was without a doubt the beast Shop Chief I worked for. He was a heckuva pigeon shooter too. "You're messin up Senior" still rings in my ears from time to time but not without fond memories. My condolences to Kathy and Lori.*

“ *My uncle Eddie was always a joy to be around. He always had a way to be serious but at the same time being funny. I will always hold close the memories of our Alaskan adventure. Kathy, our thoughts and prayers to you and the rest of Ed's family. A life well lived but cut too short.*

“ Our thoughts and prayers are with you Kathy. Ed has such a great impact on the Pine-Featherville community. The senior centers 50/50 will always be a tribute to Ed. Far too short of time to know such a great man. We look forward to your return to our valley and many more years of your friendship. You are loved by many

He did so much to provide a wonderful resting place in the Astor area and spent many hours with us in his efforts to provide a history of this region and the progress the cemetery has made over the years. Our thoughts and prayers are with his family. It is certain heaven has opened it doors wide to receive this wonderful person and the good he has done for all of us will live on in our hearts.
