“ Thank you all for your thoughts and prayers during this difficult time. We are so blessed to have such loving and supportive family and friends. My Dad had an amazing life and always put everyone else first. He was my mentor, my rock, my Daddy. Steve, Crystal, Scott & I are so lucky to call him Dad. I will miss him terribly and will always keep my memories close to my heart. His four grandchildren will always know that their Grandpa loved them more than anything in this world.

“ Very sorry for what your family is going through. I enjoyed knowing Ed. I'll think of him whenever someone says "awry". He used to say that when one of us hit a shot no where near where we were aiming. But for fun he would pronounce it "arry".

“ Mary, Suzie, and Stevie, We are so saddened by your loss. Your husband, your dad, our friend will be forever etched into our hearts. We will all remember his fabulous sense of humor (his Teasing)! I cannot even count the many times "we girls" beat "the men" at Hand and Foot. Oh, how we laughed and enjoyed one another's company. Just this past February, Phil, Art, and Ed golfed together back in February at The Palms and Ed beat them both with a 77! May all our many wonderful memories of time spent with Ed help us all to get through this very difficult time. Sending much love, sympathy and many, many prayers to help you all as you begin to deal with your loss. Jan and Phil
