“ I have been blessed to have known Eddie for 24 years. He was a gentle soul, musician, loved his mom, sister, and his beloved dog Koda. He had a beautiful singing voice and very talented playing the guitar and keyboard. A couple of the songs he loved to play were Amazing Grace, Free Bird, and The Dance (which will always have special meaning for me). Great sense of humor. We had many laughs together. Excellent mechanic - he bought an old Cadillac Seville, completely rebuilt the engine and drove it to Florida to see his mom. He dreamed of living in a log cabin in the mountains. God blessed us for awhile with a beautiful log cabin in the Appalachian Mountains. He loved to fly fish at the Briery Branch lake, where he caught trout. He was a patient, kind, and loving man and I will always carry his memory with me.

“*Dear Betty & Judy, Both of you are in our thoughts and prayers. Eddy was such a special friend to us and we miss him. We have many memories of our time together in Virginia. Especially one night he brought his keyboard to our camper and gave us a private concert. We also loved his visit to NC in October. We are very sorry for your loss. Semper FI brother. I know you are in Jesuses arms.*
