“ Dear Judy and Family, I was totally shocked today when I went into work. I was expecting to see Effie's smiling face and for her to greet me at lunch when she went by my door. I feel like I have lost a dear friend and grandma to me. You could always count on Effie for a kind word and a loving smile. Effie had a heart of a lion and soul of a saint. I will miss her deeply and please know Judy that my prayer are with you and your family. Love and Prayer,
Tessa, Jim, Courtney, Cody and Wyatt
