“ To Effie Mae's entire family, please accept my heartfelt condolence on Effie Mae's passing. I knew her when we lived in Cheat Neck in the 1950's , even though it has been over 60 years, I still remember her bubbly smile and disposition. I remember her and her brothers and sisters walking to the Oaks drive-in show,with my brother and my self in tow, and the moon-lit walk on the way home. It was a great time having her and her family as our neighbors. I am certain that all who knew, loved and cherished her will sorely miss her. Please know that my thoughts and wishes are with you in this time of sorrow. An old friend and admirer, in sympathy, Larry
