“ Eileen was always very kind to me, never short of smiles or laughter. I was already close to her brother, Bill, before she moved to Leesburg. When she first arrived, it felt like I had known her forever. She was a private person, but always made me feel like family. She is greatly missed. I know she is up in Heaven, watching over those who loved her.

“ *My deepest heartfelt sympathies to all. Although it has been years sine I've seen Eileen, I will never forget her and often thought of her. Mandy still refers to her as Muffins mom. Muffin was our Lhasa apso/shih-tsu puppy we bought from her. Thanks for the laughs through tout the years Elieen! Love, Sue and family*
