“ My sweet "Aunt" Eileen,

What an honor it has been to have you as my God mother for all of these years. You and Uncle Ken have loved me so well as if I were one of your own. You always remembered every birthday and celebration and every Christmas. I always looked forward to your Christmas cards with your witty commentary of what you've been up to.

Heaven most certainly gained another angel this week. You have been such a loving role model to me through the years of what a wife, mom, and friend should be. I strongly admire the relationship you and Uncle Ken have built and I am sure you will be missed by all but most especially him.

The footprints you left on my heart will never fade. I was blessed in so many ways to know and love you, but most especially because you were my Godmother. God Bless you always!

Maria
