“ *Hi, I just called my mom in California to tell her the news of your mom's death. She will be writing you, but wanted to convey her condolences today. She told me how much she enjoyed corresponding with your mom since your dad and my dad died. She also told me how your dad was selected to be the best man at thier wedding. It was your mom who suggested to my dad that your dad be the best man at their wedding. I also found out for the first time that your folks or your mom's family lived in Sunnyside Gardens across the street from where my dad grew up. All of you will be in our thoughts this Friday and in the coming days. Mike Leahy - Cincinnati, Oh Martha Leahy - Fullerton, Ca*

“ It was our privilege to have known your mother for so many years. She was a first class lady and a first class human being who doted lovingly on her family and will be sadly missed. May she rest in peace and is certain to be greeted in heaven under the protection of the Almighty. Our sincere condolences, Joan, Sol and our family.
