As I began to think about the life I shared with my Dear Sister Eileen I reflect on the special moments the we spent together this past May 2023 at her Lady Lake home. My sister Nora and Doug along with my nephew Jackie and Geri spent several evenings together recalling fond memories of living in the Bronx and beyond. Thinking to myself this could be the final goodbye as I embraced Eileen. I kissed her brow as her eyes filled with tears saying I love you. My final glimpse saw a smiling sister. I cherish the moment.

A real trouper. Eileen handle her illness without complaint. Every time I called she was always aware and upbeat.

“Godspeed” Time to join your husband John.

We will forever miss our beloved Aunt Ide. There are so many wonderful memories from young children visiting her home in the Bronx to countless visits and domino games with her in The Villages. She always welcomed us with her beautiful smile, made us laugh with her stories and genuinely made us feel special. We are so glad that we had the opportunity to visit with her last month. And regardless of what she was going through it didn't change her. She still embraced us with that beautiful smile and made us laugh. Although our hearts are broken now, our wonderful memories of such a kind hearted Aunt will remain with us forever.
