“ Papi, i miss you more and more everyday. We left so much unsaid and keep wishing i had done so many things differently. But the only peace i have now is knowing you are no longer in pain. I just wanted you to know that you were the best father any person can ask for. You turned me into the man i am today I land i am forever grateful for that. I love you so much. Shannon, Abigail, Breanna, Nik, Ollie, Sammie, and I miss you and love you so much and will always keep you in our hearts. One day we'll see each other again. Until then i know you are watching over us and watching your grandkids grow.
