“ It was a true pleasure working "Giggles" over the years at Shoebox. She was at our table and was the highlight of the week for me. Your parents are two of the most thoughtful, caring, sweetest people that God has blessed us with. As her name says, Elaine was always happy, laughing, and never, ever complained. God bless your family. Our prayers are with you all.

“ It saddens me greatly to hear the Elaine passed away this week and to know that I never got to meet her in person. She became a friend to me in 2005 or 2006 thanks to Operation Shoebox. I was in Iraq at the time and her mail helped to make the days go by faster. I wish I could be there this weekend to celebrate her life.....

“ Our condolences to you and your lovely family. Elaine was certainly a "one of a kind" sweet lady. Always had a cheerful smile even when she was going through her difficult times. Her laugh could be heard around the room she was in and was such a joy to hear. She will be truly missed by many, many of us at Operation Shoebox. She was a person who could never be replaced. We know that she is now in a better place with no pain and with her beloved Dave. God bless you all. Brenda Sprague

“ Elaine was my best friend in school and the Maid of Honor at my wedding in 1961. Indeed she was a lady of honor. Although we didn't get to spend much time together after school, I could call her and talk like we were never apart. We have all lost a very dear lady. My prayers are with your family at this difficult time. God Bless you. Polly

“ Dear Kelly, Mike, Dave & Richard, My heart goes out to you during this very difficult time. Your mom was one of the most wonderful people I have met in my life and was always there for Operation Shoebox making "special patriotic bags" for troops that were in need of a special pick me up. She always made sure she had some made to give to me. Your dad and mom were such a wonderful part of OSB going above and beyond to make sure we were able to get the care packages over to the troops. Katie has come to me more than once telling me how much she loved to hear your moms laughter and how it was so infectious and always made her smile. How it always made all of us smile. She was a special lady who touched the lives of many and we are better for knowing her. I will miss my hugs that I always got when I saw her and the beautiful smile she always gave me. She will live on in our hearts and never be forgotten. She will truly be missed..... Mary, Ron & Katie Harper

“ David, We were sorry to hear about Elaine. We now have a grand daughter that lives in Raleigh and think about you two when we go there. In fact, we tried to look you up in Raleigh, but to no avail. I know that this is not an easy time, but we wish you the best.
