

Eleanor Brady

November 23, 1932 - August 16, 2025

With profound sadness we announce the passing of our beloved Mother, Mom, Memaw, Grandma, Aunt & Friend, Eleanor Stienstra Brady 92, from this life into her heavenly Father's Arms on August 16 2025. We can only imagine the welcome home celebration that took place!

She adored her grandchildren, great-grandchildren and their accomplishments. She also loved her grand puppy Annie!

She loved her Life Community Church Family and Pastor John Schneck

Memaw you were our 75 lb anchor of love and wisdom and you were always there when we needed you.

You taught us everything about life, except how to live without you...
Until we are together again.

There will be a future celebration of life memorial.
