“ *I knew Ellie for about Ten years. Ellie was a client of mine at my salon. We became good friends in a short period of time. She was a beautiful lady with a lot of class. she was thoughtful, kind and loved her family with all her heart. Bob and Ellie always opened their kitchen to teach me how to make several delicious dishes. Ellie loved her flowers and took great pride in her home. I lost touch with her for a few years, but then received the honor to be with her at Avante . I would visit with her as much as I could and would always bring her a flower from my garden. I will miss my friend greatly, but have found great peace know she is in heaven with Bob. I will miss you Ellie, thank you for your friendship and love. You will never be forgotten. Love to all.*
