“ Julie, We will miss your mother. My children, Julie and Scott, always considered her their other Grandma. I will miss our long distance talks about how everyone was doing. I'm sorry I never mailed her the new photos of the children. While we missed having her in the neighborhood in Fort Wayne, thank you for taking her to Florida with you. She was so peaceful and happy there and I know she cherished the chance to spend more time with you and your husband and children. She was very happy and content and ready to go when her time was up. That is a great consolation to us and I hope it is to you as well. Our sympathy. Scott, Laura, Julie, and Scott Jr.

“ Dear Julie and family. It was with great sadness that I learned of Ellie's death. She was a lovely lady and a good friend dating back to the days when I was your babysitter. She will be missed. May the good memories give you comfort and peace.

“ Julie, I am saddened by your loss of such the wonderful and precious lady that was your mother. She was so special to our neighborhood and like a grandmother to my girls, Stephanie and Jessica. The world has lost a beautiful person but we will always remember her kindnesses. I am so glad that you all had these last years together and I understand that she didn't suffer long and for that I am grateful. Please know that I share your sadness and hold you in my prayers. Dee

“ Julie - so sorry to hear about your mother. My thoughts are with you and your family. My mother & I were just talking about you. I have many memories of the times we spent at your house and hanging around the "old" neighborhood. How did our parents ever put up with us?

“ I'm sorry to hear of your mother's passing. I rented from her 18 yrs. and enjoyed chatting w/ her whether it was about Colin & Christopher or other news of the day. As I recall, she, not only was still working in retail at an age when others would have retired, but it seems prospective employers were "fighting" over who could snag her!
