“ *What a beautiful, funny and loving person Betty was. We had so many good times with you both and will always remember our outings and trips together! She was a true gem and she will be missed by everyone who was blessed to know her. Her cooking was legendary and on our day trip to St Augustine one day with Betty and Tony, she was not afraid to tell the waiter who asked her how her lunch was "Fine but, I would have done this different ". That was Betty! God bless you! Neil and Mary Kastor*
