“ Our dear Fr. Paul, we can't even begin to imagine the pain you are suffering as her beloved husband. Only our dear Lord and Savior can comfort you now as we continue to lift you up in prayer. I know you find comfort in knowing that one day soon you will see her again and be with her forever in the presence of God. We continue to grieve with you, Kenney and Paul. We love you very much as we did Cindy. Our hearts are broken over her going home, but we know as you do that she is dancing and singing before her Lord Jesus. God bless you.

“ Dear Paul, Our hearts go out to you during this time of profound loss. You both were spiritual pillars in my life and despite our long separation I still remember all the kindnesses you and Cindy extended to me. I know that your consolation is your faith in God and his eternal life that Cindy now enjoys and that one day you will share. I apologize for the delay in responding but I have been off Face book for some time. May the Holy spirit sustain you each and every day.
