“ *We just learned today of Liz's passing this Spring.  
We were military friends for years.  
I signed for Liz and Don's marriage license!*

*Over the years we have always kept in touch and visited staying at each others homes.*

*I am deeply saddened to read of her passing, but know she is where she longed to be, with her beloved Donald.*

“ Sorry to hear of your loss. My Mum Margie sat with Liz for meals at Atria. Liz always made sure the food was not going to upset Her. Mum kept asking where Liz was. I did try to call her while in hospital. Mum passed April 3rd now they are together eating all kinds of English food in heaven. You were special Liz. Love Linda and Mark.
