“ You will be greatly missed Aunt Liz. You cared so much about your family including extended family. You always showed an interest in whatever we were doing. We enjoyed visiting you in Florida. You extended a warm welcome and heart and always cooked us a meal. You insisted!!!! I loved your sense of humor. You and my mom talked for many hours about your spouses, children and family. I know she enjoyed those visits. So RIP Aunt Liz and thanks for making all of our lives better. Sandy
