“ I use to see Libby when she came into the Lake County Tax Collector's Office. I always enjoyed seeing her, she seemed so full of life and my day was better by being able to visit with Libby. I am real sorry I will not be able to attend the Memorial Service Friday because I will be out of town Friday but my thoughts and prayers are with the family as I know it is not easy when a love one leaves us here on earth.

“ My heart is broken. Our IM's last Tuesday will forever be with me. Lib was with me through the best and the worst and a precious, dear loving friend all through life. I can't even begin to express how much I'll miss seeing "krausej3" in the AIM box, our phone calls that would last for hours. She was such a loving soul and cared about all God's creatures great and small. My deepest sympathies to her family. Her friends also have a hole in our hearts but memories that make us smile whenever we think of our Lib. She was one of a kind. RIP dear friend.

“ A part of me has gone with you my dearest Libby. 51 years of my life were so enriched by your friendship. The adventures, the LAUGHTER - truely living life. Libby was generous in her heart and pursued everything with passion and kindness. If there were stars for every life she impacted, they would fill the sky. I send my heartfelt and deepest sympathy to all of Libby's family, friends, and neighbors. May the memories of Libby's spirit, determination, kindness and humor be ever present in your hearts. All My Love, Pamela Brookes
