“ *I sometimes revisit the Annapolis area via the internet and was saddened to read about your Mom. Although I don't remeber her much, I do remember Gambrills A.C. and your father's time as a coach to us squirts. We had it good. My best to you and your family.*

“ *I would like send my condolences to Betty's family. I only knew her for five yrs, but within that time she treated like a friend not just a housekeeper. I always looked forward to the two times a month I went to see her. My prayers are with her and her family.*
