“ Aunt Betty (Godmother) I am so glad that I got to talk to you that Saturday a few weeks ago. I remember all the times over your house (Beech St.) in our younger school years. The great meals you would make and the best (BBQ) ever ! I am so glad that we came down to Fla. to see you in 2014. I am very sad that you had to go thru what you did, but I know that you are pain free and walking in the the garden of the lord with all who has gone before you. I will watch for signs when I know you are around and we will talk.....
